

SCHOOL GRANT APPLICATION

At Chvatal Orthodontics, education is one of our core values. We feel strongly about giving back to the community that supports us and want to enrich the educational experience of the teachers and students in Lane County.

If you have an idea that can benefit your school or your students - and the only thing holding you back is funding - this grant is for you! Your imagination is the only limit to what can be done with this grant.

Previous grants have been awarded for everything from supplies for a class project, to T-shirts for a jog-a-thon or field day, to special fieldtrips, to ice cream for the annual social, library books, and science kits. Please fill out this application with a brief description of your proposal and let the fun begin!
